

WESTERN REFINERY'S AGENT ON VISIT

There is mystery over the recent visit to the islands of W. H. Hanam, secretary of the Western Sugar Refinery, the Spreckels' end of the sugar trust. Mr. Hanam and his wife arrived here almost unheralded and appeared to be merely on a vacation. Mr. and Mrs. Hanam went to Hawaii a couple of weeks ago on the steamer Helene and were the guests of John T. Scott while there.

It is not known whether Mr. Hanam was on an investigating tour or not. His conversations with prominent people here connected with sugar interests did not indicate that he was gathering statistics. He departed for San Francisco on the Sonoma.
